Termination of Service. Your service will be terminated if the online deposit physical items are not received by the Credit Union within 10 business days of an *e-Posit*[™] Online entry date or you cause UECU a loss. Any abuse or attempted abuse of *e-Posit*[™] Online will result in termination of all *e-Posit*[™] services.

e-Posit™ Mobile

Definition: A service available via *Advantages Online™* mobile banking through which members are able to electronically deposit a check by using a mobile device to photograph their check. The physical check is not to be mailed in and is to be retained by the member.

e-Posit™ Mobile Deposit Requirements

- You must have a mobile device with Internet access and a digital camera. Minimum device operating systems for Mobile Banking app are iOS 5.0 or newer for Apple devices and Android 3.0 or newer for Android devices.

Mobile Deposit Process. You may log into *e-Posit™ Mobile* using the *Advantages Online™ Mobile Banking* application to access the check deposit tool in which you select the deposit account, enter the check dollar amount and take a digital photograph of both sides of the physical check you wish to deposit. Be sure to include the words "For mobile deposit only" in the endorsement section on the back of your check. If the images are acceptable and the amount entered equals the amount written on the check, you will then be asked to confirm your information and submit the deposit. When the image and information are successfully submitted, you will receive an on-screen confirmation of the deposit, which includes a Batch ID reference number.

If your deposit is not accepted during the review process, you will receive an email notification. You may check the status of a deposit in *Advantages Online™*.

Transaction Limits. Deposits through *e-Posit™ Mobile* are subject to monthly limits in the total dollar amount that may be deposited. Your limit is based on your credit history and overall relationship with UECU and may change periodically, at the Credit Union's discretion. The amount of your available monthly limit will be displayed to you during the *e-Posit™ Services* session. The range of monthly deposit limits is \$500.00 - \$10,000.00. If your deposit exceeds your assigned limit, your deposit will not be accepted through *e-Posit™ Mobile*. If this occurs, you may utilize *e-Posit™ Online* and mail in your check, visit the UECU branch or an ATM (not all ATMs offer check deposit services), or simply mail in your check to make your deposit. The fact that a deposit is within your available transaction limit does not mean that a deposit will necessarily be accepted.

Check Standards. You agree and warrant with respect to each image of an original check that you transmit to UECU using the *e-Posit™ Mobile* service:

- Each image of a check transmitted to UECU is a true and accurate rendition of the front and back of the original check, without any alteration.
- The amount, payee, signature(s), date and endorsement(s) on the original check are legible, genuine, and accurate.
- Other than the digital image of an original check that you remotely deposit through *e-Posit™ Mobile* service, there are no other duplicate images of the original check.
- You have not and will not deposit or otherwise endorse to a third party the original check and no person will receive a transfer, presentment, return of, or otherwise be charged for, the original item (or a paper or electronic representation of the original item) such that the person will be asked to make payment based on an item that has already been paid.
- To the best of your knowledge, the original check is not fraudulent or otherwise unauthorized by the owner of the account on which the check is drawn.

Right to Reject, Reverse, or Adjust Deposits. If a check does not meet UECU's check or image standards, UECU reserves the right to reject your deposit or, alternatively, withdraw the deposit from your account after you complete the deposit. Additionally, UECU reserves the right to adjust your deposit after you have submitted it for processing to correct mistakes in the value of the check deposited or for mistakes in encoding. UECU's acceptance of a deposit through *e-Posit™ Mobile* does not constitute a guarantee that the deposit meets UECU's check and image standards, is a legitimate check, or will be paid by the clearing financial institution. As account owner, you accept responsibility of all checks deposited into your account. If a check is not paid by the clearing institution, UECU will reverse the deposit from your account and you will be responsible for any losses, fees, and/or negative balances that result from such a reversal. Account fees are set forth in the Fee Schedule. If you are concerned that a check will not be paid, UECU encourages you to negotiate the check directly with the financial institution it is drawn upon.

Check Retention. Upon completion of your deposit, you will need to retain the physical check for 14 calendar days. You agree that you will provide the physical check to UECU if requested during the retention period. If you fail to retain the physical check for any reason during the retention period, you will be responsible for any losses that result from the lack of the physical check, which may include the full amount of the deposit and any fees that may result. Following the end of the 14 calendar day check retention period, you will be responsible for destroying the original check. You agree to destroy and dispose of the original checks with a high degree of care to ensure that the original checks are not accessed by unauthorized persons during the storage, destruction, and disposal process.

To protect the security of your deposit, it is recommended that you:

- Write "For Mobile Deposit" on the back of the check below your endorsement(s), in the endorsement section.
- Keep your check in a secured area, such as a locked desk or box, until it is destroyed.
- Use competent shredding equipment when destroying checks after the retention period.

Termination of Service. Your service will be terminated if you cause UECU a loss. Any abuse or attempted abuse of *e-Posit™* Mobile will also result in termination of all *e-Posit™* service.
