MEMBERSHIP AND ACCOUNT AGREEMENT

This Agreement covers your and our rights and responsibilities concerning the accounts that Utilities Employees Credit Union (“Credit Union”) offers. In this Agreement, the words “you” and “yours” mean anyone who signs, or otherwise authenticates, an approved Membership Application, Signature Card, Account Application, ownership update document or a request for additional services (“Account Card”). The words “we”, “us”, and “our” mean the Credit Union. The word “account” means any one or more share or other deposit accounts or sub-accounts you have with the Credit Union.

Membership.

Employees, temporary and contract employees, and retirees of our partner companies are eligible for membership. The spouse or domestic partner (living in same household), children (including stepchildren and adopted children), grandchildren, parents and siblings of a member may also join the Credit Union. You may call or write the Credit Union office for a membership/account application or you may access an application on our website. Complete your membership online or return a membership/ account application along with a minimum \$5.00 initial deposit, which is the par value of a membership share. You authorize us to check your account, credit and employment history and obtain credit reports in connection with: any application for a deposit account; any application for credit or for the purpose of reviewing an extension of credit or increasing a credit line or limit; for the purpose of taking collection action; or for any other legitimate purposes associated with your accounts, including determining eligibility for additional Credit Union products or services. Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account.

Notice: Section 326 of the USA Patriot Act requires the Credit Union to obtain, verify and record information that identifies each person who opens an account. When you open an account we will ask you for your name, address, date of birth, driver’s license information and other information that will allow us to verify your identity. For accounts being opened on behalf of certain types of businesses, we will ask the individual opening the account to provide the name(s) of everyone who owns 25% or more of the company and to provide the name(s) of at least one person in control of the company.

Individual Accounts.

An individual account is an account owned by one member qualified for Credit Union membership. If the account owner dies, the interest passes, subject to applicable law and provisions of this agreement to the decedent's estate or In-Trust-For (ITF) beneficiary.

Joint Accounts. — A joint account is an account owned by two (2) or more persons, with rights of survivorship. This means that when one (1) owner dies, all sums in the account will pass to the surviving owner(s). We reserve the right to require written consent of all owners for any change to or termination of an account.

Joint Account Ownership Agreement.

You authorize us to recognize any of the signatures or other authentications subscribed in the membership application, signature card, or in any of your other account applications or ownership update documents in the payment of funds or the transaction of any business for your account. The joint owners agree with each other and with us that all sums now paid in on shares by any or all joint owners and all accumulations thereon, are and shall be owned by them jointly, with right of survivorship and are subject to the withdrawal or receipt of any of them. Payment to any joint owner or to the survivor or survivors shall be valid and discharge us from any liability for such payment. The joint owners also agree to the terms and conditions of the account as established by the Credit Union from time to time and acknowledge that all account information, including Individual Retirement Account and loan information, will be available to every individual on the account.

Any or all of the joint owners may pledge all or any part of the shares in the account as collateral security to a loan or loans from the Credit Union. The right or authority of the Credit Union under this agreement shall not be changed or terminated by any joint owner, except by written notice in a manner acceptable to us and that notice shall not affect transactions theretofore made.

Savings Account Trust Designations.

An In-Trust-For (ITF) account designation is an instruction to the Credit Union that an individual or joint account so designated is payable to the owner(s) during his, her, or their lifetimes and, when the last account owner dies, is payable to all surviving ITF beneficiaries. Upon the death of the last

account owner, if there is more than one (1) surviving beneficiary, the account is payable to such beneficiaries in equal shares.

Deposit Insurance.

Your individual deposit accounts are insured, in aggregate, up to \$250,000. Your interests in joint deposit accounts are added together and insured up to \$250,000, separately from individual accounts. Your Individual Retirement Accounts (IRAs) are also separately insured for up to \$250,000. Insurance is provided by the National Credit Union Share Insurance Fund (NCUSIF) which is managed by the National Credit Union Administration (NCUA). For more information about NCUA insurance coverage of accounts, visit www.ncua.gov.

Deposits.

Funds may be deposited to any account in any manner approved by the Credit Union. You authorize us to supply missing endorsements of any owners if we choose. We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. Deposits made by mail or at unstaffed facilities are not our responsibility until we receive them. We have the right to limit, refuse or return any deposit and a fee may be charged. We may withhold all or part of the proceeds of any deposit in accordance with our Funds Availability Policy. We may send any item for collection. Any deposit of, or payable in, a foreign currency will receive credit in U.S. dollars only after final collection and exchange. Any collection fees we incur may be charged to your account. All items or transfers credited to your account are provisional until we receive final payment. Deposits made after the deposit cutoff time and deposits made on a Saturday, Sunday or a federal holiday will be credited to your account on the next business day.

Returned Deposited Items.

Even if we have made funds available to you, we may charge back to your account the amount of a deposited item if it is later returned unpaid or charged back to us. We will not be liable for damages or losses to you as a result of checks drawn or other debits presented on the accounts, which are dishonored because of the charge back. We may charge a fee for a returned deposited item. Fees are set forth in the Fee Schedule.

Account Rates and Fees.

The Credit Union's payment of dividends and assessment of fees against your account are set forth in the Truth-In-Savings

disclosure and Fee Schedule, respectively. The Credit Union may change dividend rates and the fee schedule at any time, at our discretion. We will notify you of changes as required by law.

Withdrawals.

You may withdraw or transfer funds from your account(s) in any manner we permit. We may refuse any withdrawal or transfer request which you attempt by any method not specifically permitted; which is greater in number than the frequency permitted; or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us to apply the frequency limitations. You authorize us to honor transactions initiated by a third party to whom you have given your account number or the MICR information appearing on the bottom of your check or deposit slip even if you do not authorize a particular transaction. We reserve the right to require at least seven days written notice before any withdrawal or transfer. See the Availability of Funds disclosure for information about when you can withdraw funds you deposit.

Automated Processing of Items.

We may disregard information on any draft or check, other than the signature of the drawer, the amount and any magnetic encoding. You agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items. You agree to submit items to the Credit Union for payment or collection that adhere to general industry standards for encoding and magnetic ink.

Non-Sufficient Funds and Overdrafts.

If an item is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item for Non-Sufficient Funds (NSF). In either case, a Non-Sufficient Funds fee will be charged. A fee will be imposed for overdrafts created by checks (share drafts), ACH, Point-of-Sale, ATM withdrawals, or by electronic means. The amount of the NSF fee is set forth in the Fee Schedule. Transactions may not be processed in the order in which they occur. The order in which transactions are received and processed may impact the total amount of fees incurred by you.

The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later. We do not have to notify you if your account does not have funds to cover checks, fees, electronic debits or other

posted items. The Credit Union has the right to charge any shares you own to cover negative balances, except as prohibited by law. If you do not pay the negative balance within a reasonable period of time after we notify you of the deficiency, we will close your account.

Overdraft Protection Plan.

If you have elected overdraft protection, we will honor checks and other items that overdraw the available account balance in your checking account by transferring funds from Share Savings, or a line of credit account, if applicable, to your checking account. If you elect to have transfers from a Share Savings Account, funds will be transferred in the amount necessary to clear the overdrawn item and service charge. If you elect to have transfers from a line of credit account, funds will be transferred in \$100 increments. If there is a service charge for overdraft transfers, the charge is set forth in the Fee Schedule. Transfers from a Share Savings Account will be governed by this agreement. Transfers from your line of credit account will be governed by the applicable loan agreement.

Postdated and Stale dated Items.

We may pay any check without regard to its date unless you notify us of a postdating. We will not honor a postdated check unless we receive advance notice from you at such a time and in such a manner as to afford us reasonable opportunity to act. The notice must be in writing, and it must specify the date, amount and number of the check. You may make an oral notice, which lapses in fourteen (14) calendar days unless confirmed in writing. A written notice is effective for six (6) months and may be renewed in writing from time to time. We are under no obligation to pay a check or draft drawn on your account, which is presented more than six (6) months after its written date.

Stop Payment.

You can request us to stop payment of a preauthorized payment, check or draft drawn on your account. The stop payment request must be dated, signed or otherwise authenticated and must describe the account and specify the number, date, exact amount of the item, and the payee. If you give us incorrect or incomplete information, we will not be responsible for failing to stop payment on the item. We must receive the request in reasonable time to permit action on it. The stop payment request is ineffective, if at the time of the request, we have already cashed the item or if we have otherwise become legally obligated to pay the item. You may make an oral stop payment request, which lapses in fourteen (14) calendar days unless confirmed in writing. A written stop

payment request is effective for six (6) months and may be renewed in writing for additional six-month periods. You agree to indemnify and hold us harmless for any expense, cost or liability for refusing payment of any item on which a request has been made to stop payment or for payment of an item after a stop payment has expired. The Stop Payment Fee is set forth in the Fee Schedule.

Restrictive Legends.

We are not required to honor any restrictive legend or other limitation written or printed on checks or drafts unless we have agreed in writing to the restriction or limitation. Examples of restrictive legends are “void after 90 days”, “not valid for more than \$1000.00 or “two signatures required”.

Inactive Checking Accounts.

Active UECU checking accounts have one or more transactions per month. Checking accounts that are inactive for six (6) consecutive months may be closed and any remaining checking account funds transferred to a member's share Share Savings Account. Any check cards associated with the account will be expired.

Dormant Accounts.

A deposit account is considered dormant if you have not initiated account activity (a deposit, withdrawal, check or transfer) for a period of one year. A dividend posting or dividend transfer does not constitute account activity. If your account meets the dormant criteria, and you do not have an active related account – such as a loan, mortgage, CD, or IRA -- a dormant fee may be charged. Account fees are set forth in the Fee Schedule. If a Share Savings Account is reduced to zero balance by dormant account fees, you will have 45 days to replenish the par value of one membership share. If you do not replenish par value, the account will be closed and membership terminated. If your account remains inactive for 24 months and has an aggregate deposit balance of less than \$1,000, the Credit Union may close the account and issue a check for the balance. A closed account check not cashed within six (6) months will be assessed an unclaimed funds fee. If your account remains inactive for three (3) years, or such other period as required by law, the balance, after deducting an escheat fee, will be transferred as abandoned property to the appropriate government entity. This is known as escheat. Account fees are set forth in the Fee Schedule.

ACH and Wire Transfers.

You may initiate or receive credits or debits to your account through Automated Clearing House (ACH) or wire transfer,

if we provide the service. You agree that if you receive funds by a wire or ACH transfer, we are not required to notify you at the time the funds are received. Instead, the transfers will be shown on your periodic statement. We may provisionally credit your account for an ACH transfer before we receive final settlement. We may reverse the provisional credit or you will refund us the amount if we do not receive final settlement. We may charge an ACH Exception Fee if you provide third parties with incorrect account information related to an incoming ACH transfer. Account fees are set forth in the Fee Schedule. When you initiate a wire or ACH transfer, you may identify either the recipient or any financial institution by name and by account or identifying number. The Credit Union (and other institutions) may rely on the account or other identifying number as the proper identification even if it identifies a different party or institution. You agree to be bound by Article 4A of the Uniform Commercial Code – Fund Transfers as adopted in the Commonwealth of Pennsylvania. You agree to be bound by Automated Clearing House Rules and Regulation J, as applicable, which govern ACH and wire transfer processing. You agree to initiate and receive only lawful ACH and wire transfer entries. We may require you to follow a security procedure to execute a payment order or certain electronic funds transfer transactions. You agree to make use of multi-factor authentication, challenge questions and answers, a verification callback and/or other identification procedures that we may implement from time to time in order to increase security. You agree that our security procedures are reasonable.

Transaction Limitations.

Accounts are only transferable on the records of the Credit Union. The Credit Union reserves the right at any time to require 7 days written notice before any withdrawal or transfer of funds from an interest bearing account. Transfers from a savings account by preauthorized, automatic, telephone transfer, check, draft, or debit card (access methods vary by product) or similar order are limited to six per statement cycle. If your account exceeds these regulatory transfer limitations in one monthly statement period, your transfer may be rejected. If your account is an *Advantages Money Market Savings™* Account and you exceed these regulatory transfer limitations in any monthly statement period, you may be assessed a fee and your account may be subject to conversion into a non-interest bearing account.

We may refuse to allow a withdrawal in some situations and will advise you accordingly for example: (1) there is a dispute

between account owners; (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a Credit Union loan on time. You agree that checks made payable to a non-member are not properly payable over-the-counter and will not be cashed. Our policy is to not cash checks for non-members; however, we will exchange the check for a Teller Check

Statements.

We will send or make available to you, electronically or otherwise, a periodic statement showing transactions and activity on your account. You are responsible for examining each statement with reasonable promptness. If you believe there is an error, discrepancy or irregularity, you must notify us immediately. If you fail to discover and notify us of any error, discrepancy or irregularity within 60 days of when we first send or make the statement available, you cannot make a claim against us. In the case of a change of address, you are responsible for providing us with a current address. If you do not receive a periodic statement, you agree to notify us within fourteen (14) days of the time that you regularly receive a statement. For checking accounts, you understand that your original check, when paid, becomes property of the Credit Union and will not be returned to you but copies will be retained by us or by a payable-through financial institution and made available upon your request. You may be charged a fee for check copies. Account fees are set forth in the Fee Schedule.

Online Statements.

When you request *E-Statements*, you agree to receive your monthly or quarterly account statements electronically. We will notify you by e-mail when your statements are available for review. You are responsible for providing and maintaining your e-mail address and all information contained in the Account Profile records. You are responsible to view, print and/or save your statement document(s) for future reference. You agree that in addition to your member account statement we may also send you important notices and disclosures as required by law or regulation regarding your membership and accounts. These notices and disclosures may be sent separately or incorporated into the member newsletter that is made available at the time your statement is available for viewing. You may be charged a fee if you subsequently request a paper copy of your *E-Statement*. You have the right to change your election to receive *E-Statements*, unless an *E-Statement* is a requirement for a product or package of products.

Credit Union Lien and Security Interest.

The Credit Union shall have an automatic lien on your shares or share certificates for any sum due from you or for any loan endorsed by you, except as limited by state or federal law. In addition, unless prohibited by law, you pledge and grant to us a security interest in all shares, deposits, and dividends in all accounts you have with us now and in the future and we may use the funds from your accounts to pay any debt or amount now or hereafter owed us, except obligations secured by your principal residence. By not enforcing a lien, we do not waive our right to enforce it later.

Member Loss and Denial of Services.

It is the policy of the Credit Union to deny services, with the exception of a Share Savings Account, to any member who has an existing obligation in default. If the obligation is reaffirmed or otherwise voluntarily repaid in a manner acceptable to the Credit Union, then the member may again be eligible for such services.

Amendment.

We may amend account terms, agreements and Fee Schedules hereafter and may provide additional account terms, agreements and fees from time to time. We will notify you of any changes in account terms, rates or fees as required by law. We reserve the right to close your account(s) at any time, without prior notice, and return the account balance to you.

Notice of Name or Address Change.

You are responsible for notifying us of any address or name change. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require notice of a change in address and any other notice from you to be provided in writing. If you fail to notify us of your new address and we cannot locate you, we may impose a service fee as set forth in our current Fee Schedule.

Consent to Contact.

You are required to provide an active telephone number by which we can reach you. You may, but are not required to, provide us with a cellular, Voice-over-Internet-Protocol (VoIP), or other telephone number which may require you to pay for receiving calls. If you choose to provide or by confirming your telephone number (including a mobile telephone number) for the *Advantages Online*[™] service, you consent to receiving prerecorded or artificial voice message calls, text messages, and calls made by an automatic telephone dialing system from UECU at the number. You consent to

receive these calls in connection with your use of our *Advantages Online*™ Home and Mobile Banking service and as required for our everyday business purposes including notices and alerts regarding your account or account activity, identity verification, enhanced security and to prevent fraud. Standard text messaging rates may apply based on your plan with your mobile phone carrier.

Illegal Activities.

You agree that you will not use any of your accounts, access devices or services for unlawful Internet gambling or other illegal activities.

Negative Information Notice.

We may report information about your loan, share or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

Legal Process.

If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved. Any expenses or attorney fees we incur in responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

Governing Law.

This Agreement is governed by the Credit Union's Bylaws, federal laws and regulations and the laws and regulations of the Commonwealth of Pennsylvania, as amended from time to time.

AVAILABILITY OF FUNDS

General Policy.

The following policy describes the time period after which you may withdraw funds deposited to your account. Funds you deposit in your account at the Credit Union may not be available for immediate withdrawal. Once they are available, you can withdraw the funds at any time and we will use the funds to pay any checks or debits presented. Please remember, that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

Determining the availability of a deposit.

The length of any delay in availability is counted in business days from the day of your deposit. Every day except Saturday, Sunday, and a federal holiday is a business day. If you make a deposit before 2:00 p.m. Eastern Time in person at our office or we receive a deposit in the mail on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the above-mentioned time or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

The length of delay varies depending on the type of deposit and is explained below.

Same-day availability.

Funds from the following deposits will be available on the day we receive the deposit:

- Cash deposits made in person
- Electronic direct deposits
- Checks drawn on Utilities Employees Credit Union (On-us checks)

- The first \$200 from other checks deposited (not applicable for deposit to savings account)

Next-day availability.

Funds from wire transfers will be made available on the first business day after the day of deposit.

Other check deposits.

Our policy is to make funds available as follows:

Checking Account Deposit

Other Checks – Funds will be available on the second business day after the day of the deposit. The first \$200 from a deposit of check(s) will be available on the same day of the deposit.

Savings Account Deposit

Other Checks – Funds will be available on the second business day after the day of the deposit.

Automated Teller Machine (ATM) Deposit.

\$200 from any deposits (cash or checks) made to a savings or checking account at an ATM will be available immediately. Remaining funds from the deposit will not be available until five business days after the day of deposit. The business day at an ATM generally changes at 2:00 p.m., but may change at other times posted at the ATM. Transactions made on a non-business day are considered to be made on the next business day.

Longer delays may apply.

Funds deposited by check may be delayed for a longer period under the following circumstances:

When we believe a check deposited will not be paid.

- Check(s) deposited totaling more than \$5000 on any one day.
- A re-deposited check that has previously been returned unpaid.
- There is an emergency, such as failure of communications or computer equipment.
- Deposits to accounts that have been repeatedly overdrawn in the last six months.

If you are a new depositor (when your account has been open 30 days or less).

The Credit Union will notify you if the availability to withdraw funds is delayed for any of the above reasons and we will tell you when the funds will be available. In these instances, funds will be available no later than the 7th business day after the day of deposit. In some circumstances, the first \$200 may not be available on the same day of your deposit to a checking account.

Examples of these transfers include, but are not limited to:

Point of Purchase (POP).

With this type of transaction, a check you write to a merchant for the purchase of goods and services is converted to an electronic transaction at the time of payment. You write out your check in the usual manner and give it to the merchant. The merchant will electronically read your check, mark it VOID and return it to you along with a special receipt detailing your now-electronic transaction. The merchant will request you to sign the receipt authorizing conversion of the check. Your monthly statement will describe your POP transactions including the check number and the merchant name. You may stop payment on a POP transaction if it has not already been paid and if you give us sufficient time to act on your request. You must also give us the dollar amount and the check number. If this information is not an exact match, we may not be able to stop the transaction. You will have to settle directly with the merchant about any disputes you have about goods and services for which you pay with a POP transaction.

Accounts Receivable Truncated Checks (ARC).

Some merchants or service providers that you pay on a regular basis, such as utilities and insurance companies, may convert the check you mail to them into an electronic debit from the account upon which the check was written. The debit will appear on your account statement with a check number and the payee's name. Your check will not be returned to you by the payee.

Electronic Returned Check or Draft Charge.

Some merchants or service providers will initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds.

Electronic Check Conversion/ Electronic Returned Check Charge.

You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills or initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds. You are considered to have authorized these electronic fund transfers if you complete the transaction after being told (orally or by posted notice or notice sent to you) that the transfer may be processed electronically or if you sign a written authorization.

Bill Payer Services.

Many bill payment service providers will send a payment to a payee or payees as an electronic transaction. A payment authorized by you under a computer (or other electronic) bill-payment service is considered an electronic funds transfer unless the terms of the service explicitly state that all payments or all payments to a particular named payee will be solely by check or paper instrument. Your monthly statement will show your electronic bill payment transactions including the payee's name.

Telephone-Initiated (TEL) or Internet-Initiated (WEB) Transaction.

With this type of transaction you provide an authorization over the telephone or internet to a company or merchant to transmit a single ACH debit entry to your account to collect payment for goods or services. By providing your credit union information (routing and account number), you authorize the initiation of an ACH debit. Information relating to the transaction (i.e. company or merchant name, amount of transaction) will be provided to you on your monthly statement. You may stop payment on a TEL or WEB

transaction if it has not already been paid and if you give us a reasonable opportunity to act upon the stop payment order.
